

2021-03806 - Post-Doctoral Research Visit F/M Post-Doc fellowship in the framework of CWI-Inria International Lab

Contract type : Fixed-term contract
Level of qualifications required : PhD or equivalent
Fonction : Post-Doctoral Research Visit

Context

The CWI-Inria International Lab (<https://project.inria.fr/inriacwi/>) offers 1 Post-Doc fellowship.

Assignment

Conduct cutting-edge research within the scientific topics addressed by Inria, engage in collaborative research and publish outputs in international peer-reviewed venues.

Main activities

Candidates interested in the projects currently supported are welcome to submit their application to a post-doctoral fellowship. Candidates are strongly encouraged to get in touch with the PIs of these projects, either at CWI, or at Inria.

See details on: <https://project.inria.fr/inriacwi/post-doctoral-fellowship-opportunity-2021/>

Applications within the CWI-Inria collaboration must be submitted before August 15, 2021 with all of the following documents:

- The completed summary sheet (<https://project.inria.fr/inriacwi/files/2021/05/Post-Doc-Application-Summary-Sheet-2021.pdf>)
- Research project including subject title, research program, work plan and planned visits during the post-doc, the duration of the post-doc (between 12 and 24 months) and the desired starting date (default start date is November 1st, 2021 and not later than January, 1st 2022)
- Detailed CV with a description of the PhD and a complete list of publications with the two most significant ones highlighted
- Motivation letter from the candidate
- 2 letters of recommendations
- Letters of support from the host Inria research team and from the host CWI research group
- Passport copy

Candidates pre-selected by the teams will be assessed by the International Relations Department and evaluated by scientific experts. The funding is granted by Inria International Relations Department.

Positions are funded up to two years, with a startdate between Nov 1, 2021 and Jan 1, 2022

Benefits package

- Subsidized meals
- Partial reimbursement of public transport costs
- Leave: 7 weeks of annual leave + 10 extra days off due to RTT (statutory reduction in working hours) + possibility of exceptional leave (sick children, moving home, etc.)
- Possibility of teleworking (after 6 months of employment) and flexible organization of working hours

About Inria

Inria is the French national research institute dedicated to digital science and technology. It employs 2,600 people. Its 200 agile project teams, generally run jointly with academic partners, include more than 3,500 scientists and engineers working to meet the challenges of digital technology, often at the interface with other disciplines. The Institute also employs numerous talents in over forty different professions. 900 research support staff contribute to the preparation and development of scientific and entrepreneurial projects that have a worldwide impact.

The keys to success

Instruction to apply

- The completed summary sheet (<https://project.inria.fr/inriacwi/files/2021/05/Post-Doc-Application-Summary-Sheet-2021.pdf>)
- Research project including subject title, research program, work plan and planned visits during the post-doc, the duration of the post-doc (between 12 and 24 months) and the desired starting date (default start date is November 1st, 2021 and not later than January, 1st 2022)
- Detailed CV with a description of the PhD and a complete list of publications with the two most significant ones highlighted
- Motivation letter from the candidate
- 2 letters of recommendations
- Letters of support from the host Inria research team and from the host CWI research group
- Passport copy

Candidates pre-selected by the teams will be assessed by the International Relations Department and evaluated by scientific experts. The funding is granted by Inria International Relations Department.

Positions are funded up to two years, with a startdate between Nov 1, 2021 and Jan 1, 2022

Defence Security :

This position is likely to be situated in a restricted area (ZRR), as defined in Decree No. 2011-1425 relating to the protection of national scientific and technical potential (PPST). Authorisation to enter an area is granted by the director of the unit, following a

- Professional equipment available (videoconferencing, loan of computer equipment, etc.)
- Social, cultural and sports events and activities
- Access to vocational training
- Social security coverage

favourable Ministerial decision, as defined in the decree of 3 July 2012 relating to the PPST. An unfavourable Ministerial decision in respect of a position situated in a ZRR would result in the cancellation of the appointment.

Recruitment Policy :

As part of its diversity policy, all Inria positions are accessible to people with disabilities.

Warning : you must enter your e-mail address in order to save your application to Inria. Applications must be submitted online on the Inria website. Processing of applications sent from other channels is not guaranteed.
